SUBJECT:— Filling up the appointment of Gate Lamplighter at Krishnarajpet

LAST REFERENCE.

~~Reminder~~ ~~Letter~~ No. 30/726 dated 11th March 1903

form

The Dy Commissioner Mysore District.

The Mysore Anna Chattram at Krishna- -rajpet is entrusted with a cash Grant of Rs 73 a month— From the list of the Chattram Servants maintained in this Office, it is observed that there are 11 Servants getting in all Rs 13-13—.

a month as their pay in
cash and 27 seers of
rice with condiments, the
average cost of which will
come to about Rs 40. Thus
the Establishment charges
about
above amount to Rs 53
leaving a very small balance of
Rs 20 a month for the
use of the horse-field
travellers. This is not
one of the "minimal" charges.

2. The Dy Commr
reports that one Gurumurthur,
who was the Baramahal
of the Gyle Gundlakshate
appointment, died and
that the Sub-Dy Officer
has, in accordance with subject to the orders of Govt
Expeditions, appointed his
son Narasimhachary

in this stand. I am
therefore recommended
that the arrangement
may be sanctioned -

3. The Auditor is
of opinion that, either
the deceased's son
may be appointed, or, if
it is deemed desirable
that the vacancy need
not be filled up, the
pay attached to the appoint
-ment viz Rs 1-3-4 may
be added on to that of
the Darwanpiye who
consents to the pay being
to look after both the
duties -

4 The emoluments
attached to the Darwanpiye

and the Yelu Gandhakshale

appointments are noted

in the margin —

5. The last mentioned

Superintendent's Rukkani

no 1046 dated 16th

to the Ag Commr

February 1895 directs

that Vacancies in this

Chattram should not

be filled up as the Establishment-

charges alone come up to $\frac{5}{6}$ of the

6. The former order of 1895

having directed that vacancies

should not be filled up

the Sub Dn Officer should not

have filled up the Vacancy

appointment Noted in the margin

is a superfluous one & the appointment made

may, if so submitted be ordered to be cancelled.

7 I think the Chatteram requires revision as was effected by Mr Simmons Charles in many instances. Fencing will be continued but the superfluous branch will be done away with, and the establishment reduced to

1 Cook
1 Parichavak
1 Jadmali & Watchman

I would also add a man for Devara Paji.

8 If approved, a list of the existing establishment will be called, and the proposed revision called for orders —

Note continued :—

9. As directed by the Dewan, a list of the existing establishment was called for from the Dy Commr, who has with his letter No 311 dated 30th May 1903, submitted a list showing the particulars of the pay, service &c of the servants of the Chattram at Krishnarajpet. A translation of the Kan list is submitted. In the order it was also observed that the "Gate Gumasthaship appointment" was quite a superfluous one, as there was already a "Dwarapaya" union on the Establishment, and the Sub-Division Officer's order was accordingly cancelled—

10. From the list now submitted by the Dy Comrs, it is observed that there

are

Peon in each

(2) Krishnamurthy, Cook 3 – 10 – "

(3) Thiruvenkatam, Sanitary Coolie 3 + 10 – "

Thereafter

- appointed by the Superintendent in the scale of Rs. 60 – 2½ – 85 – 3 – 100 – 4 – 120 – 5 – 150 per mensem in addition to free rice ration.

- vacancies have arisen as noted in the margin. The Superintendent reports that the Shamiana is fit for duty; that the cook is old and unfit and that a separate man is therefore necessary; that the Sanitary being a female, it is better to appoint a male for the post; and that the present Cooli Venkatasamiah was temporarily appointed about 6 months ago, the permanent incumbent having resigned the appointment.

Note continued:-

As directed

the Auditor of the Krishnarajapet-
Taluk was asked to report if
the finding in this Chattram
was being conducted throughout
the month, and to state the average
number of persons fed every day -
From the statement received
from him in reply, it is observed
that the average number of bona-fide travellers
every day during 1902-03 was
6 and that the practice in this
Chattram is to conduct Sunturpum
throughout the month and then
distribute wheat remains of the
provisions to subordinates.

Secretary's remarks:-

At the time I
wrote my remarks at page
5 of this note, the information
before me was that this
Chattram had 11 servants
who drew Rs 13-13-0 as
pay and got rice allowances
amounting

amounting to Rs 274
seers with condiments,
the total coming to ~
about Rs 53 per mensem.
It is now found,
that the number of servants
at present is only 6 whose
pay and rice allowances
come to about Rs 26 a
month. The only reduction
possible is by removing
the Shanbhogue on Rs 2-6-0
and the Gollar on Rs 1-3-0
There are some difficulties
connected with reductions
viz (i) that the persons
thrown out have their
livelihood taken away
from them and they keep
constantly petitioning Govt
and (ii) that a gra
has to be given to su
servants and it is very
difficult

to find funds therefor.

In the present case therefore I would simply keep on the two men above referred to but strictly instruct the Dy: Comm^r. that vacancies occurring in those appointments — should on no account be filled up without the previous sanction of Government.

He further says that the death of the petitioner's son ~~deprecated~~ diminished his family income and that it was not the policy of Govt to cause hardship to existing individuals, and recommends that ~~there~~ in consideration of the special circumstances of the case, some cash grant or rice allce for this post may be continued to Rajappan for life

From the communications read above and the enclosures received therewith, it is observed that the Petitioner Rajaghar and his son Guruvoyaghar were holding the posts of Devarapuge and Tele Gandhakshike respectively, each in the Govt Annaghattram at Krishnarajapet, each carrying pay Rs 1-3-0 per mensem, one meal in the day and half a seer of rice per diem on account of the night meal. The son having died, it was considered unnecessary to fill up the vacant post and it was accordingly abolished in the Govt Ro: of the 27th March 1903.
